SUTTON COLDFIELD POOR RATE BOOKS 1839-1895

The Poor Rate Books for Sutton Coldfield can be found in the Archives Section of Sutton Coldfield Library. These books list individuals who owned properties and were paying rates. The names of the occupants of the properties are also included.

The Poor Rate Books were produced between 1839 and 1895. After this date, please refer to the Sutton Coldfield General District Rate Books.

In many instances, lists were produced twice a year, usually in May and October but, for the purposes of this research, only one list per year has been included. Many of the earlier Poor Rate Books are missing or unavailable and these have been duly noted as such.
